PUT YOUR BACKYARD IN THE SPOTLIGHT.

ColorLogic® 320 1.5-inch LED lights are ideal for discreet, uniform pool and spa lighting or for highlighting various backyard features. With the option to be installed wet or dry, these versatile UL-listed lights can meet the needs of any backyard application.

KEY FEATURES

- » **Industry-leading color** setting a new standard with our wide selection of hues. Enjoy deeper, richer colors that bring out the beauty of your surroundings.
- » **Totally encapsulated electronics** for next-level durability that ensures your light can withstand even the harshest conditions.
- » **Nicheless fixture** requiring 1.5" Sch 40 pipe for installation.
- » **Low-Profile Design** effectively illuminates pool water in vinyl, fiberglass and concrete applications.

UNLOCK EVEN MORE FEATURES WITH HAYWARD OMNI®.

With the addition of OmniDirect Mode™, Hayward LED pool fixtures are optimized for use with Omni automation systems, providing more control than ever. Features of OmniDirect Mode include:

- » Instant navigation to desired colors or light shows (no more cycling through every option)
- » Dimming capabilities (20% increments)
- » Speed adjustment for light shows
- » Access to 10 additional colors for increased customization opportunities (special occasions, sports teams, school colors and more)
